

MPHA POLICIES AND PROCEDURES

I. NSF CHECK POLICY

The following is the procedure that the Minnesota Paint Horse Association will follow for all checks returned from the bank for insufficient funds.

Upon notice from the bank that the check has been returned for insufficient funds, the Treasurer will mail (by certified mail) the issuer of the NSF check a demand for payment letter that requests payment of the NSF check plus a \$25 NSF check fee. The issuer of the NSF check will have 20 days to make payment in order to remain in good standing with MPHA.

Should the issuer of the NSF check fail to submit payment within the 20-day period, he/she will be considered not in good standing with MPHA until payment is made.

In addition, this person shall be placed on a cash only basis for a period of one year following the payment of the NSF check plus fees or cannot conduct business with MPHA until funds have been satisfied.

If the issuer sends payment within the 20-day window of notice, they shall remain in good standing and be allowed to conduct business as usual with MPHA.

Repeat offenders that write 2 or more NSF checks within a calendar year, will remain on a cash only basis indefinitely or until the MPHA Board of Directors approves other methods of payment. No awards shall be issued by MPHA to individuals with outstanding debts to the organization.
